Because I do not understand it, I will deny the defendant's "motion for leave to file a call to the court's attention" (filing no. 301). Of course, the defendant may file a separate § 2255 motion but I hasten to add that I make no determination of whether such a motion would be timely or otherwise barred. Accordingly,

IT IS ORDERED that the defendant's motion (filing no. 301) is denied.

DATED this 6th day of July, 2016.

BY THE COURT:

Senior United States District Judge
